Meet our Executives...

Mr Phil Steer  
Principal
Each one of you has a special talent and something to offer our school. We look forward to providing you with opportunities to achieve success and we look forward to you making a contribution to our school.

Mr John Douglas  
Deputy Principal
When you start next year, you will quickly get to know the names of your teachers. Use your diary every lesson and always keep your work neat and up to date. Be courteous, be cooperative and always show common sense when thinking through a situation. I look forward to meeting Year 7 students and their parents.

Mr John Parker  
Relieving Deputy Principal
I will be your Relieving Deputy Principal with the responsibility of Year 7 in 2012. Have a positive attitude towards school and be active in your participation in school life. Ballina High School is a great school and will provide you with many great opportunities.

Mr Glenn Worthington  
Year 7 Student Adviser
Welcome to Ballina High School. I have been a teacher at Ballina High School for four years. You will find me in the TAS faculty. I look forward to meeting you.

Year 7 Lake Ainsworth Excursion

A highly rewarding day will be organised early in Term 1 for Year 7 students attending Ballina High School in 2012. The day is aimed to celebrate the conclusion of Year 7 students transition into high school.

Students spend a day at Lake Ainsworth Sport and Recreation Camp Lennox Head taking part in a series of physical activities. The objective of the day is for students to get to know each other and participate in cooperation and team building activities. Activities this year included “initiatives”, canoeing and raft building.
We encourage you to join in our leadership programs.

1 December 2011— Orientation Day all Year 7 2012 to attend

Ballina High School Junior Uniform

Our school aim is to have all students wear full school uniform to develop a feeling of pride in belonging to the school and to promote safety, equity and cancer protection policies. The majority of students want to look good and are proud of our school. On special occasions and for special events, there are school blazers and ties for students to borrow. We have many visitors to our school site daily and many are local employers who judge commitment and pride from features such as the wearing of uniform and behaviour.
